Santino annexation advances

Planning Commission gives "gentle indication"

The Antioch Planning Commission passed the following recommendation at a special meeting on Thursday, July 12, with a vote of 5 to 1: "The Commission recommends to the Village Board that they be in favor of any annexation south of the Village, up to and including the Antioch Country Club and parcels in between that would make it contiguous."

The decision was made following a three hour debate in which views were heard from concerned residents, Mr. Thomas Santino; Mayor Robert Wilton, Trustee Bill Seemann, Village Engineer Frank Angelotti, and numerous other people.

The meeting began as Commission Chairman Bob Bemis asked members of the audience to express any

Village Board begins action

The Village Board took its first step toward annexing the property south of the Village after accepting the recommendation of the Planning Commission at Monday night's meeting, July 16th.

Mayor Robert Wilton read the recommendation of the Planning Commission to the Board that the property to the south of the Village be annexed up to and including the Antioch Country Club and the parcels in between that would make the land contiguous. The recommendation was immediately put in the form of an acceptance motion by Trustee Mike Haley and seconded by William Seemann. The vote was unanimously in favor of accepting the recommendation. Arnold Weber was the only absent member.

School Referendum in the air

A building referendum is in the air for Grade School District No. 34. The second in a series of tentative building plans was presented to the School Board members at their July meeting by the architectural firm of Anderson, Rehder, Yandre Inc. of Waukegan.

The suggested plans for the revision of Oakland, Channel Lake and Antioch schools were presented along with cost figures.

Supt. of Schools, Henry Meyer said, "The tentative plans for a new school will be developed and presented to the Board as quickly as possible, hopefully

by the August Board meeting. Following this, all plans will be reviewed and revised by the Board. At that time a proposed five year building program will be presented to the public by the Board of Education and the Administrators."

This will be done with an eye towards a building referendum, which is necessary if any of the plans are to be carried out.

It is thought that the referendum will come up sometime in the fall. The dollar amount of the referendum will be determined by the total building needs of the school district.

THREE ANTIOTH STORES BURGLARIZED

Three Antioch businesses were burglarized during the past week. The Gamble store, 952 Main Street, was the hardest hit.

At 8:15 a.m. on Wednesday, July 11th the owner of Gambles, Mr. Rudy Eckert, entered his store and found it in a shambles. The Antioch Police Department was called in and Mr. Eckert took inventory. The person or persons unknown entered the building by placing a wooden pallet against the West wall and broke a double pane of glass in a large 4 pane window.

A total of \$1,435.86 worth of merchandise was stolen from Gambles, including a 19" Coronado T.V., a Hiawatha 20 gauge pump shot gun, assorted knives, tools, tapes, batteries,

and tuneup instruments.

The Ben Franklin Store on Lake Street, was also a target of misfortune. Four boxed air-conditioners were removed from the store. The burglary was reported on July 11th, but the exact time and date of the burglary is not known. It is suspected that the conditioners were removed sometime during store hours. They were valued at \$679.80.

The Dairy Queen on Main Street was also broken into. However, the bandit did not have a taste for ice cream, but obviously is a smoker. Forty packs of cigarettes were taken from the rack. The burglar was a selective one and removed only packs of Kools, Winstons and Marlboros. The incident was reported on July 10th.

COMMITTEE COMPLAINT HEARD

Trustees Irv Walsh and Marge Nelson both voiced a complaint pertaining to the Committee meetings. Irv is on the Building committee and Marge is on the sidewalk committee.

When the matter of the building proposals for the vacant 1st National Bank Building on the corner of Lake and Main Streets came up, the building committee gave their recommendation to reject the plans and Walsh spoke up and said, "That's funny I am on the Building committee and I wasn't even aware that we met on the matter."

Bill Seemann, Chairman of

the Committee, then passed the specs down to Walsh and it was tabled until he would have time to review them.

When the matter of the new sidewalks came up Marge Nelson also pointed to the fact that she had been excluded from any meetings.

She said, "Our committees aren't functioning too well are they?"

PUBLIC INVITED TO HIGH SCHOOL BOARD MEETING

Although all meetings of the Antioch Community High School Board are open to the public, Board President Robert Lindblad is extending a special invitation for the next meeting, Thursday evening, July 26th, beginning at 7 p.m.

Merv Pilote of the Lake County Schools Office will be at the meeting to give a full explanation of the proposed Lake County Area Vocational Center. Pilote has been in charge of the planning for the center. His presentation will begin at 7:00. This is a half hour earlier than the Board meetings usually begin.

Another important item on the agenda is consideration of the budget for the 1973-74 school year. A full copy of the proposed budget is available for public inspection in the school business office.

LITTLE LEAGUE OUTING

The annual baseball outing for boys in Minor, Little and Babe Ruth Leagues will be to Milwaukee County Stadium on Saturday, July 28th to see a game between the Brewers and New York Yankees. Busses will leave the Little League Diamond, at approximately 10:30 a.m. Cost is \$1.50 per boy covering admission and transportation. All boys interested in going should contact their team manager before Thursday, July 19.

ANNEXATION — A STEP IN THE RIGHT DIRECTION

During the last few months much has been heard AGAINST the prospects of annexation. However, "annexation" has not been thought of in an unattached sense, rather it has been coupled with the impending Antioch Country Club Development.

It is important to see both parts of the picture: annexation of the property to the south of the Village or any property and annexation of the Antioch Country Club itself.

It is the opinion of many who love Antioch dearly and deeply that the Village should be allowed to grow. That is, it should become bigger and better, rather than to wallow in the past and become obscure. It is also their contention that Antioch should become a focal point for area development rather than to be on the edge of someone else's growth. This can happen quite easily as Waukegan and other adjoining cities continue to expand in our direction. Antioch may find itself surrounded by a powerful city - with little to say and no way out. It therefore has been considered very desirable to annex land around the Village, to provide room for growth.

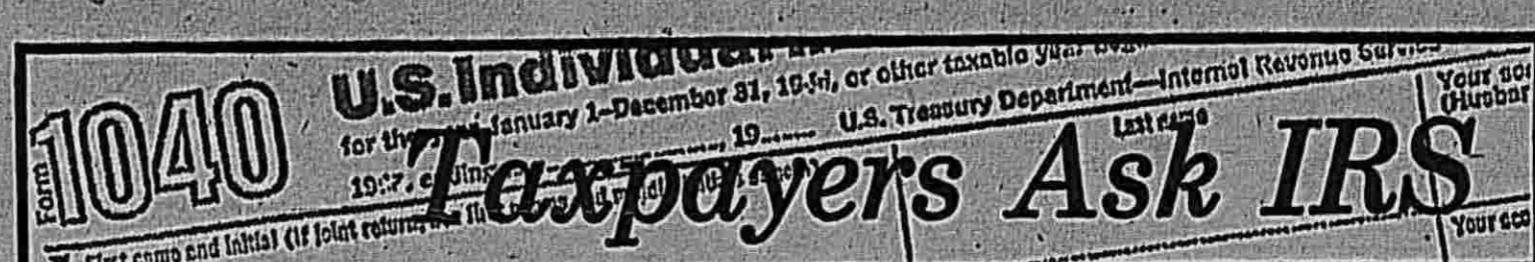

This is where the Antioch Country Club annexation comes into play. The population for the development is estimated to be as great as the present population of Antioch. If it is not annexed, as the development passes through its various stages of growth, it may be forced to incorporate as a separate municipality. Do we really want the same type of situation that Round Lake has found themselves in, with 5 different municipalities all offering the same services back to back.

If the Development is permitted to remain in the County the Village of Antioch loses any voice in, or control over its development. The Village of Antioch would also lose yearly tax revenues, (which would be great) annexation fees, and any compensation paid to our schools, which would still be required to educate the resulting flow of children.

If Antioch does not annex this development we will ultimately lose control of the situation and must then wait and see what cards are to be dealt to us, rather than dealing the deck ourselves.

The Planning Commission has made one of the most difficult decisions in its history. It is a decision that will greatly affect the future of Antioch. However, the Commission's decision is still only a RECOMMENDATION to the Village Board.

Their work is just beginning. Antioch needs a PUD ordinance and needs it now. We need a comprehensive plan and needed it yesterday. A fool-proof, favorable annexation agreement is also

This column of questions and answers on federal tax matters is provided by the local office of the U.S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q. Is it true that many students with summer jobs may qualify for exemption from Federal income tax withholding?

A. Yes, many students with summer jobs, retired persons, and others working part-time, may be able to qualify for exemption from withholding by filing a Form W-4E with their employer. These forms are available from employers and many IRS and school placement offices.

Individuals who qualify for exemption from withholding are those who did not have to pay income tax for the previous year and do not expect to have to pay tax for the current year. These eligible-taxpayers generally will be in one of three categories:

1. Single persons with an annual gross income for both the previous year and the current year of less than \$2,050 (\$2,800 if 65 or older).

2. Married individuals entitled to file jointly with a combined income of less than \$2,800 (\$3,550 if one is 65 or older or \$4,300 if both are 65 or older) for each of the two years;

3. Individuals with unearned income (such as interest or dividends) who may be claimed as a dependent by another taxpayer, but have gross income of less than \$750.

Those who have a question about whether or not they are eligible should contact their nearest IRS office.

Q. Will IRS publications tell you about court decisions that take a position on tax matters more favorable to the taxpayer than the IRS position?

A. Explanations and examples in Internal Revenue Service reflect the official IRS interpretation of tax laws enacted by Congress, regulations issued by the Treasury Department, and pertinent court decisions. There are certain matters in these publications on which some courts have taken a position more favorable to the taxpayer than the official IRS position. Until these varying interpretations are resolved by higher court decision or otherwise, the IRS must necessarily continue to state the Service viewpoint.

Q. My maid is quitting next month. Is it true that I'll have to give her a W-2 Form?

A. Yes. Under new IRS rules, you must report total wages paid (whether or not income tax was withheld) and social security tax withheld from maids, gardeners and other household employees. Normally, Jan. 31 is the deadline for giving the employee her W-2 form and for filing a copy with the IRS along with your Form 942 fourth quarter report of social security tax withheld. But if the employee leaves before Jan. 31, as in your case, you must give her the W-2 form within 30 days after her last payday. Include a copy of the W-2 with your final Form 942 return for that employee.

For more details, see the instructions on your Form 942. Forms W-2 will be mailed to you along with your fourth quarter return. Extra copies can be obtained from any IRS office.

Q. When will I receive my refund check?

A. It normally takes 6-8 weeks, but it may take longer if you mailed your return near the filing deadline. Delays will also occur if the return is incomplete or inaccurate.

If you have not received your refund or a letter explaining the delay within 10 weeks after mailing your return, contact your local IRS district office.

SELECTIVE SERVICE REGISTRATION

Young men must still register with Selective Service at the time of their 18th birthday even though there is no draft. Mrs. Morton, Supervisor of Selective Service local board No. 150-151, announced today.

She urged those men who have not registered to do so promptly. "Failure to register is a violation of the law," Mrs. Morton emphasized, "and could result in prosecution by the Department of Justice."

The President's authority to

induct men into the service expired on July 1. The administration does not plan to seek an extension of this authority, and the Defense Department is relying on volunteer enlistments to supply military manpower.

On induction authority over those not previously deferred expired on July 1. All other provisions of the military Selective Service Act remain in force. The annual lottery will be held. Young men must continue

to register and their local board will classify them as to their availability for possible military service should Congress authorize the resumption of inductions in the event of a national emergency.

Local Boards 150-151 are operating at 213 Water Street, Waukegan, IL with office hours from 8:00 a.m. to 4:30 p.m., Monday through Friday. For the purpose of registration please report by 4:15 p.m.

needed so that the building of this large development will help Antioch and not hurt it. The land is not annexed as yet and a pre-annexation agreement is the most difficult work ahead. It will take many months before negotiations are even begun, much less an agreement reached. It is hoped that all involved parties work to their greatest capacity, so that this critical point may be the beginning of a prosperous Antioch.

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

ANTIQUES CLUB PLANS ANNUAL CHICKEN BAR-B-QUE

This year the Auction proceeds from the Antioch Lions Club Annual Farmer's Picnic Chicken Bar-B-Que and Auction, will be donated entirely to the Antioch Rescue Squad, in recognition of the vital services the squad provides for the Antioch Community.

Jim Fields, chairman of the Auction committee for the August 5th event, has received, to date, a good number of interesting items of auction value such as: a pair of Canadian Geese donated by Jack Wells; a Sicilian Donkey by Herman Behm; a Hog by Bristol Farms; Rendering and Smoking (for hog) by Antioch Packing House, a Golf Membership for Husband and Wife by Antioch County Club; a

Motorcycle by Pedersen Brothers; a Sewing machine by Geo. Gorski; and a power lawn mower by George Gorski; plus a variety of other items including autos, vacations, antiques, etc.

Anyone with an item of interest to donate to the Farmer's Auction, directed by Auctioneer Herman Behm, may call the Antioch Village office at 395-1000. The Auction Committee offers suggestions of other saleable items such as sporting goods, hardware, autos and automotive accessories, snowmobiles, boats, motors, lawn & garden equipment, sewing machines, tools, antiques and art objects, and services of reasonable value.

Charcoal broiled and butter basted chickens will be served

for \$2.00 per plate donation during this event being held from 11 a.m. to 6 p.m.; rain date scheduled for August 12th.

Be sure to support the Antioch Rescue Squad with your auction donations and set aside this day for family fun, good eating and a truly entertaining day for all!

TOT—LOT IN ANTIQUE

The Antioch Humanistic Society has been busy this summer and is currently sponsoring a "Tot-Lot" program. The program, which is actually the Children's Play Center Group, is designed for 4 and 5 year olds. The children get together on Tuesday and Thursday mornings from 9:30 to 11:00. During this time they

engage in a wide range of activities centered around large muscle activity and small finger dexterity. They play such games as hot potato, "mush pot", which is a small fry version of dodge ball, not to mention various hammering and sanding projects.

Currently there are only 7 children enrolled in the Tot-Lot program although the Society is

authorized to have as many as 20 children in the play group. The group is approved by the Illinois Department of Child and Family Services. Any four or five year old is eligible to participate and there is only a \$5.00 fee charged by this non-profit group to pay for supplies.

There are three volunteer supervisors who work with the children. They are: Elaine Maresh, of Lindenhurst, who is an experienced pre-school educator; Pat Peacock, who is the Administrative Assistant of the Antioch Institute, she has a background in early Childhood education; and Sandy Murphy, who is a Physical Education teacher and has worked for several years in the Wisconsin School districts.

It is still possible to join this session of the tot-lot program and a second session will be offered. For more information call Pat Peacock at 395-5701.

Danette Behrens tries to pick out the right answer as she works with a new educational device that is known as "System 80". (Staff Photo)

LOVE THAT SYSTEM 80

"System 80" may not mean anything to you, but if you are in Mrs. Helen Carlson's 1st grade class it is probably one of your favorites. A relatively new educational experience, System 80, has been used by Mrs. Carlson's first graders during the regular school year, and is now getting a daily work out during the summer school session.

There is only one "System 80" machine for the whole school district so the children must really take their turn. Mrs.

Carlson said that the children happily volunteer to miss recess, lunch, movies or whatever to take their turn with the machine.

The "System 80" method allows the child to receive individualized and personal instruction. Each student is taught how to operate the durable, unbreakable machine, and it is really quite easy. They are pre-tested by the machine, for words that they know or don't know and they then set about a personalized review.

Mrs. Carlson commented that this method especially helps the child who has difficulty learning a word phonetically and helps him to learn the words by sight. The school has six different system 80 kits, which contain 9 lessons each. The kits include sight vocabulary, phonics, and math.

When operating the machine the student is seated and watches a screen similar to a T.V. screen. There is a row of buttons in front of him that he pushes in correspondence to the correct answer. If he chooses the wrong answer, the question is automatically repeated until the right button is pushed. If the student does not hear the question the first time he can push a button and listen to it again. Each student works in a private little world and they listen to the voice of system 80 through ear phones. Thus the rest of the class is not disturbed and are allowed to receive other instruction.

Mrs. Carlson feels these machines have been most helpful and has been exploring ways of securing more of them for the children. However, they are quite expensive as are their accompanying kits. Hopefully, these machines will be able to be secured on a rental basis, which Mrs. Carlson commented is very reasonable costing only \$30 for the entire school year.

To fight the high cost of meat the Antioch Jaycees are having a Steer Raffle for Maxwell Street Days.

The half steer will be supplied by the Antioch Packing House. Tickets will be sold during Maxwell Street Days at the

corner of Lake and Main Streets. Tickets are available now at the State Bank, First National Bank, Stanleys, The Shoe Box, Fur Feather and Fin, Four Squires, Young Image, Cermaks Realty and The Sewer.

Jaycee of the Month - Don Kerkman of the Lakes Area Barbershop was named Jaycee of the Month by the Antioch Jaycees for his outstanding work on the Highway Holdup and the Cubs' trip for underprivileged children.

HIGHVIEW DRIVE TO BE BLACKTOPPED

The remaining 500 feet of Highview Drive has been slated for blacktopping. The Antioch Grade School Board gave their approval to the project at their regular meeting on Tuesday, July 10th.

The unpaved road which serves as an entrance to the

Upper Grade School will be blacktopped in order to facilitate traffic and to increase safety to the walkers. The School District plans to share the cost with the Village and to make this a partial one-way street. The work is tentatively scheduled to be completed this summer.

Bill Dotson, (left, son of Mr. and Mrs. Ellis Dotson of Crest Lane in Antioch) and his friend Henry Schmidt, son of Mr. and Mrs. Henry Schmidt of Channel Lake, pose happily as a man from outer space and superman, while busy at summer play. (Staff Photo)

SUPERMAN IS ALIVE AND WELL IN ANTIOCH

If you have seen a spaceman wandering happily around Antioch during the last few weeks, don't worry, it's not the heat, but a real spaceman. Well, sort of a real spaceman. This particular spaceman also does pretty good impersonations of superman, batman, and other heroic characters.

Bill Dotson, is a young boy with an active imagination and is not content to play cowboys and Indians and all that other childish stuff. Rather, Bill and his friends create various games to go along with the snazzy costumes he collects. His main collection time is Halloween.

The day the Antioch News was surprised by this man of coats, a fascinating game was in progress. Bill, dressed as superman, and his friend Henry, in the role of a kooky spaceman, were pretending that the passing cars on Turner Drive were the enemies and when we stopped to talk they thought they were in real enemy trouble.

However, the enemies were

friendly and no casualties, bumps, or scratches were reported that day, just good clean fun.

BAND PARENTS ASSOCIATION REQUESTS PREP BAND

The Antioch Grade School Band Parent's Association made a special request to the Grade School Board at Tuesday night's meeting, July 10th. The Parents asked the Board to consider reinstating the beginning band program. They would like to see some kind of "prep band" set up in order to prevent the program from being discontinued.

The Band program was dropped at the Grade School when the referendum failed and a lack of funds prevailed. The Band Parents revived the program for the advanced students, who had received instruction under the original program. However, the program has now ended as all of these students have graduated.

The Board instructed Henry

Meyer to send the Association a letter advising them that there are several bills awaiting the Governor's signature or veto, which will greatly affect operational monies available to the District. Furthermore, the Board feels that presently it is impossible for them to finalize any of their educational plans relative to money expenditure for the coming year.

Supt. Meyer said, "When our total revenue is known all items of the budget will be reviewed along with the possible re-instatement of the band program."

FILM STRIP CO OPERATIVE IN PLANNING STAGES

Grade School District No. 34 is currently in the process of investigating the possibilities of creating a film and film strip rental cooperative with St. Peter's, Faith Lutheran, Emmons and Grass Lake schools.

Under the present thinking the films will be rented for the entire year and housed at the Channel Lake School. They will be available to all schools on call. During the year the schools would also have access to all of the films in the "Britanica Catalog" for previewing purposes.

Supt. Meyer said, "This would permit our teachers to show any educational film to their class. If the teacher finds the previewed film to be superior to one of the films in the stored collection, we would have the privilege of exchanging the film for one stored."

Meyer also commented, "We will be renting \$21,000 worth of educational film strips and records. This is not the cost to the school districts, but the actual purchase price, if they were to be purchased. The rental cost will amount to \$1.20 per pupil for the year, which is actually very reasonable."

There are a few rough spots in the system that have to be ironed out before it is approved. The education budget for the school must also be finalized first. The program may not be in effect by the beginning of the school year, but if all goes well it is hoped that it will be in operation by the last part of September.

ANTIOCH SWIMMERS NO. 1

After a full week of swimming with two wins against Old Willow (Northfield), and Libertyville, the Antioch Aqua Center Swim Team sponsored by the State Bank of Antioch came out number one in the big North Suburban Conference Relays meet at Lake Forest Club! Beginning with the first relay, Antioch swimmers took the lead over the five other teams and never were headed through the 29 relays! At the end of the freestyle relays, Antioch was in a three-way tie with the always strong Lake Forest Club and the much-improved Brentwood (Waukegan), but after that no one could catch the Antioch team. Accepting the trophy were co-captains Bob Dodd and Dave Berry.

Gred Shepard, John Schmidt, Theodore Bessette and Mark Shepard teamed up to win a first place in both the freestyle and backstroke 9-10 year old 100 meter relays. Brothers Greg and Mark also teamed up with Craig White and John Bellucci in the 10-under 100 meter breaststroke relay for another first place. Ed and Dave Berry, another brother team, combined with Mike Jaworek and Dean Waite for a first in the 15-16 year old 200 meter backstroke relay. Then Ed & Dave paired with team-mates Jeff Schmidt and Bob Dodd in the 100 meter butterfly relay for another first place. The boys 11-12 200 meter back relay, Phil Jaworek, Chuck Auxier, Scott Gallagher, and Jack Fields scored blue ribbons. Not to be outdone the girls 11-12 back relay also got blue ribbons; Carol Berry, Diane Emmerich, Trina Spiez, and Margaret Bessette. The girls 13-14 back relay also got a first with the same 4 girls who set a record in that event in 1972. These girls were Mary St. Pierre, Lynda Fields, Eva Auxier, and Sue Berry. The 10-11 girls Jean Cilic, Lesley Gallagher, Sally Taplin and Judy Houghton won a close 100 meter breaststroke relay.

Other swimmers on the winning Antioch team were sisters, Cindy and Sherri Knight, Dorothy and Diane

Emmerich, Patti Fields, Joan and Jennifer Bellucci, Carl Amundsen, George Bessette, Brad Schulz, Dave Beattie, Cindy Carney, Beth Mueller, D'Ave Walpole, Craig Martin, Vince Delany, Jerry Schmidt, Jenny Schmidt, Christ Walpole, Kit Kakacek, John Kakacek, Kevin Walpole, Allen Jaworek, Frank Bessette, Martha Hellen-

horst, Jill Grumbeck, Gina Teresi, Candy Bailey, Kim Klopp, Linda Olson, Debbie Rentner, Kim Herbst.

This week, we have a home meet July 18 at 6 p.m. against Tennaqua (Deerfield). Then Friday, July 20, and Saturday, July 21st at Plum Grove (Palatine) for the conference swim and dive meet.

USDA REVISES REGULATION FOR SPECIAL MILK PROGRAM FOR CHILDREN

The U.S. Department of Agriculture (USDA) today revised its regulations for the Special Milk Program for Children.

One change makes this Program available only to schools which provide no food service to attending children. Milk is served as a basic component in all meals which are served in schools which do have lunch and breakfast programs.

Another change sets a

uniform rate of reimbursement for all participating schools. The maximum rate of reimbursement is 3 cents a half pint, and schools must use these payments to reduce the price of milk to children.

These changes are designed to adjust program expenditures to the level of \$25 million that is provided by P.L. 93-52 -- the Continuing Resolution under which the program is operating in the fiscal year 1974.

The changes take effect immediately.

DR. A'S MINI-TALES The Friendly Flame

Freddy was a friendly flame. He came from a family of good flames. His mother worked in a bakery, and his father helped to run a jet plane. Even his big brother and sister had jobs helping people. But Freddy was still too little to have a job. "Just eat plenty of logs and don't worry," his mother said. But Freddy wanted to do something to help people. One day he saw a car stopped by the side of the road. He leaped into the spark plugs to help. But he was too little to get the car going. Then Freddy tried to help some people start a barbecue. But the big flames jumped in and pushed him out. Freddy stumbled onto a dead leaf, and the wind picked him up and carried him into the forest. He fluttered down next to a boy and girl who were lost. They were cold, so Freddy tried to help them start a fire to warm them. But he was still too

little. Then he remembered something he had seen when he was flying in the air. He burned a tiny path down a pile of dead leaves and on through the forest. The children followed him. Soon they heard their parents calling. Now they were safe, and Freddy danced home proudly to tell his family about his first job.

AUGUST IS FAMILY PORTRAIT MONTH

before they grow up and grow away from the family group...

KEEP THE FAMILY TOGETHER IN A PORTRAIT PHOTOGRAPH

Many families are returning home in August when summer courses, camps and vacations come to an end.

Since many children go away to school and the family may not be together again until the year-end holidays, this is an ideal time to plan family activities as a group - a time to get back-to-school wardrobes together and to have a contemporary, natural portrait taken of the family by a professional photographer. A color photographic portrait has marvelous gift-giving and home-decorating possibilities.

A family portrait takes only an afternoon. The best way to go about it is to call B-J Rush Studio at 395-5554, decide on an afternoon and make plans together.

You will want to decide whether the portrait should be indoors or out. Many suburban families prefer to have an environmental portrait photograph done on their property or in an attractive near-by location. For instance, your family can be photographed as

a group on the tennis court, ice-skating in an indoor rink or at a local park. Any of these create an appealing setting for an action portrait.

If the portrait is to be done in the studio, we will place the family into a warm, natural grouping, designed to look relaxed and happy, rather than formally posed.

Once the color portrait is complete, everyone can go over the proofs together to make an appropriate selection. A 16x20 print of this type of photographic art is especially attractive when placed over a sofa or fireplace as the focal point of a room. B-J Rush Studios can advise you about appropriate framing. A portrait photograph of your family can be used also as a warm personal Christmas card, or for birthday or anniversary gifts for family members.

For a special surprise when the portrait prints are ordered, give Dad a large family portrait for his office with a tailored leather or suede frame - or save it and let Santa put it under the tree.

Along the Way with *Annie Mae*

Have you seen the big smile on Dennis Volling's face? He caught an almost record muskie up at Land of Lakes, Wisconsin this past week. It weighed 27 lbs. and was 45" long, just 1/2" shorter than the record. Nice going Dennis!

The Little Leaguers were busy this past week-end with a very successful pancake breakfast, thanks to many Mothers, Fathers, and of course the Jack Christensen's and George Skopeks, Chairmen. Over 1200 breakfasts were served. The tournament team journeyed to Mundelein on Sunday, but fell to defeat, 7-1. The team is going to enter the Gurnee Invitational, and it hopeful they can bring home a trophy from there.

Kathy Laursen just returned from a two week vacation of sight seeing in Mexico.

Mr. and Mrs. Mel Stillson enjoyed the fine weather Sunday as they entertained many of their friends and relatives at an open house given by their children, Dee Hauser and Mel Stillson in honor of their 45th wedding anniversary.

Not many were dry after the Lions Club Pool Party on Saturday night. Hear certain people even jumped into the water with clothes on, and all "bets" were given for the benefit of the Rescue Squad. The evening was complete with a delicious dinner, banjo music, and a sing-a-long.

Nice seeing Pete Poulos again. He was here from Stamford, Conn. to enjoy a visit with his Dad who celebrated his birthday on Sunday.

The high school senior year book "The Statement" was mailed out this last week. Additional copies will be available for sale at the B-J Rush Studio until they are gone. Cost is \$4.00. The staff of the "Statement" can be extremely proud of their endeavor and will have fun memories of their last

year in high school. Congrats Kim, Sandi, Linda, Pat, Bill and Kirk!!!!

"Wonder who the lady was who was poppin her buttons at Tony Coia's swinging birthday party?"

Congratulating Mr. and Mrs. Joseph Plavokas on their 23rd wedding anniversary at Lake Marie, were Mr. and Mrs. Richard Lynn, Mr. and Mrs. Peter Zalatoris, Mrs. J. Kuba, Mrs. S. Masalunas, Mrs. Jo Fink, Mrs. Fr. Babka, and grandma Babka.

Enjoying their Antioch News all the way in Harvard, Nebraska, are Mr. and Mrs. George Rodeluis formerly of Shady Nook, Lake Marie. Their neighbors all send their regards.

Birthday wishes this week go to Ray Toft on July 19; to John Miholovich, Greg Haley and Ken Watson on the 20th. Special wishes go to Millie Gaston on the 21st and to Kathy Wurster who will celebrate her 20th birthday in St. Therese Hospital. Dee Selak celebrates on the 22nd. Happy birthday to Sharon Watson on July 24 and Mrs. Anna Zalatoris is looking forward to her birthday on July 20.

A special happy birthday wish goes to Stu Good on July 19th. May you catch your Muskie, Stu! And thanks for the fishn' and all - "Sun Burned Sal"

Lots of get well wishes go to 9 year old Ellen Brotherton of Felters Subdivision. She is in Victory Memorial Hospital - Room 666B and will be in several days following surgery. Some cards would be most welcome!!

A speedy recovery to Kathy Wurster who has been in St. Therese Hospital recovering from an automobile accident for the last six weeks. She will have to remain there for another two weeks while undergoing

therapy. A card or a visit will sure help to pass the time. We hope you have a pleasant and happy birthday on July 20th, Kathy.

"Susie Baby" and friends send get well wishes to Nancy Rentner. Hurry up and get well gal, the troops need ya!

Many congratulations to Del Jahneke who won two top awards for the American Legion State Convention being held in Chicago this week. She will be honored this Friday morning for her publicity scrap book and also for the best in communications. Another honor bestowed on this worthy, lovely lady is that she has been asked to take part in their memorial service. Couldn't happen to a nicer gal! Congrats!!!

Anniversary wishes go to Mary and Ernest Fagrelius on July 18 and to Ann and Bill Haley on July 22nd.

Don't forget Threepenny Opera this weekend at the PM & L theatre. Make your reservations early, phone 395-9702.

Next Saturday is the big day for the Arts and Crafts Fair. Hope to see you there.

Attention Ladies: Too hot to bake this weekend - don't pass up the Order of Eastern Star Bake Sale on Saturday, July 21, at the State Bank of Antioch from 9 a.m. to 2 p.m.

Justine Leisner of Lake Villa receives the 25 carat diamond offered by Hahn Jewelers for most accurately guessing the retail price of the gem. Her estimate was \$279; the actual price, \$278.87. George Hahn, who is presenting the diamond set in Mrs. Leisner's ring, said that guesses ranged all the way from \$2.50 to 1 billion. Mrs. Leisner's children, William and Tina, helped her take the stone home. (Staff Photo)

MERCHANTS PREPARE FOR MAXWELL STREET DAYS

The Antioch Chamber of Commerce & Industry wishes to announce that final plans have been made for our annual Maxwell Street Days.

30 merchants will be displaying their wares on the sidewalks during regular business hours on Thursday, Friday and Saturday, July 26, 27, and 28. Look for a listing of the participating merchants in the newspaper ads the week of the 23rd and for store displaying the Maxwell Street Banner. This year the sidewalk salesmen will be wearing red and white striped vest and will be eager to

help you find a bargain. See you on the streets July 26, 27, and 28.

LAKE COUNTY FAIR MIDWAY

We are very fortunate in having the Skinner Amusement Company for our Mid-way ride program. We also have several games of chance should you like to try your skill. The Mid-Way will be open from noon each day and will continue as long as someone wishes to ride, closing about midnight. These rides have been inspected and meet all the requirements of safety by the State of Illinois.

WOMEN OF THE MOOSE

The College of Regents Chapter Night Program was opened by Senior Regent June Ballenger with the installation of Marge Hartman as Sentinel. College Chairman Jerri Polson acted as Installation Chairman, and the College of Regents proceeded with the installation.

The gavel was turned over to College Chairman Jerri Polson who then introduced the Collegians who filled the chairs for the evening. Those present were: Senior Regent Jerry Mark; Junior Regent Gert Good; Chaplain Alice Young; Guide Shirley Gehris; Asst. Guide Harriet Grewe; Pianist Gladys Schroeder; and Jane

Meyer. The Junior Graduate Regent's station was filled by Karen Bartuska.

Their entertainment for the evening was household hints, presented by each, from a book which was published in 1800 or 1900. These hints were not all practical for these days, but some were funny and all the co-workers had a good laugh.

The College of Regents presented checks in the amount of 25.00 for the House of God Maintenance Fund and 15.00 for the College of Regents Scholarship Fund.

The Chapter then proceeded with the enrollment of new candidate Susan Horton, who was sponsored by Friendship Chairman Gert Dupre.

The Hospitality Report was read by Col. Jerri Polson, at which time Erna Toft thanked the Chapter for the Grandma

and Grandpa cards they received when their daughter, Cheryl Wise had a 9 lb. 1 oz. baby boy... Congratulations. It seems like it's the season for new Grandmas with new baby boys, with Milley Stroner and Pat Sperling braggin about new ones.

Chapter pins were awarded by the Senior Regent to Mary Carney and Delores Povilaitis for attending three consecutive meetings.

Recorder Judy Page read correspondence, new applications and the arrearage lists.

CHAPTER CALENDAR:
July 28, Chapter Business meeting; July 28, Annual Governor and Senior Regents Dance; August 6, Publicity Committee meeting at Jane Meyer's; August 12, Annual Picnic at the Aqua Center and pool.

American Legion Auxiliary

There will be a new citizen's reception, co-sponsored by the 10th District American Legion and the Auxiliary, on July 26th, at 8:00 p.m., at the Homer Dahringer American Legion Home in Waukegan. District co-chairmen are James Hardin, Waukegan, Junior Vice Commander; and Mrs. Richard Brown, North Chicago, Auxiliary Americanism chairman.

Following the presentation of district colors by the Gurnee American Legion Honor Guard, led by Department Assistant Sergeant-at-Arms Edward Jahnke, the Invocation will be said by Mrs. Logan Kennedy, Baxter Evans Unit, District Chaplain. Mrs. Everett Moberg, Lake Bluff, Regent, North Shore Chapter, D.A.R., will give the Pledge of Allegiance.

Mrs. Minard Hulse, Waukegan, will lead the audience in the singing of the national anthem, accompanied by Mrs. Ray Suzzi, Highwood, pianist.

Addresses of welcome will be said by Mrs. Everett Ainsworth, Lake Forest, 10th District President; and District Commander William Franzen of Libertyville.

"The Flag Speaks", a manuscript, will be read by Mrs. Thomas Booth, Waukegan, Womens' Relief Corps (WRC).

Guest speaker will be State Representative Adeline Geo-Karis (R) of Zion. Coming to America from Greece at the age of four years, Mrs. Geo-Karis has steadily pursued a varied and successful career. She served as Lieutenant Commander in the navy during World War II, and still holds that rank in the U.S. Naval Reserves. Mrs. Geo-Karis was a practicing attorney for a number of years, and now heads her own law firm. She also holds the distinction of having been the only woman in Illinois to serve as Assistant States Attorney. A Past Commander of the Lake County Womens' American Legion Post, Mrs. Geo-Karis is a past National President of the National Daughters of Penelope and has been active in many other civic and patriotic organizations. She was the and has been active in many other civic and patriotic organizations. She was the attorney for the town of Mundelein until her elections as State Representative. Now, as a hard-working legislator, State

Representative Geo-Karis will speak on "Americanism".

"I Am the Flag", a reading, will be said by Mrs. Louis Thompson, Waukegan American Legion Auxiliary. Entertainment will be a medley of patriotic songs sung by Mrs. Minard Hulse.

Among the 69 new citizens whose petitions are up for hearing and who should be receiving their naturalization papers from Lake County Circuit Court Clerk Mrs. Stephanie Sulthin, Lake Bluff, are the following people from this vicinity: Karolina Pirko, Route 3, Box 219 and Ronald Henry Peo, Route 2, Box 558 both of Antioch; Lydia Estela Scott, 709 Piper Lane; and Joseph Pangratz, 19021 Sunshine Avenue both of Lake Villa.

Presentations will be made by Mrs. Everett Moberg, North Shore Chapter, DAR; Mrs. Joseph Schwartz, Waukegan Chapter, DAR; Mrs. Eleanor Stutzman, National Daughters of the Grand Army of the Republic; Mrs. Thomas Booth, WRC; Mrs. Louis Thompson, Waukegan American Legion Auxiliary; and Mrs. Alice O'Dell, Ladies Auxiliary of World War I Veterans.

All American Legions Posts and Units, other participating organizations, are asked to post their Flags at 7:30 p.m., so that there may be a massed background display of colors.

The district colors will then be retired. William Nickoley, Libertyville, District Legion Chaplain, will give the Benediction, and Mrs. Hulse will bring the reception to a close with the singing of America.

Refreshments will be served by the Deerfield, Grayslake, Gurnee, Lake Regions' Unit of Fox Lake, Lake Villa, Mundelein, Vernon and Wauconda American Legion Auxiliary Units.

THREEPENNY OPERA OPENS JULY 21

On Saturday evening, July 21, the house lights will dim and the curtain will go up on PM&L's production of the musical melodrama The Threepenny Opera by Bertolt Brecht and Kurt Weil. This ambitious undertaking is directed by Ken Smouse and will also be presented on July 27 and 28, August 3 and 4 at the PM&L Theatre, 877 Main Street, Antioch. Curtain time is 8:30 p.m.

Theatre goers should take advantage of seeing this unusual musical because although it is probably the most popular and best work of this kind, it is very rare that a community theatre organization tackles it because it is a difficult work. It was one of the plays given at the Shakespeare Festival at Stratford, Ontario last summer.

Director Ken Smouse says the biggest difficulty of the production to the amateur actor seems to be that his character is not spelled out to him in the play as in most plays of today. Brecht meant to have his actors create their own roles as each one felt he should be played. So PM&L actors, probably for the first time, had to learn their lines, songs, and also had to decide who they were in relation to the other members of the cast and what type of a person each felt he should be.

The music is also different. Except for the "Ballad of Mack the Knife" which almost everyone knows—the rest of the music will be unknown. It has a "German Cabaret" sound in many instances. Each song tells a particular story. It might also be mentioned that recent writers have borrowed ideas and melodies from this music.

The story is a story of people—the good and the bad, the bitter and the sweet, the comical and the serious, the rich and the poor. It takes place in London and centers around the tale of Macheath—Mack the Knife—who steals and kills, loves

ANTIOCH WOMAN'S GOLF LEAGUE

ANTHONY ZORC III GRADUATES

Six hundred seventy-one Chicago State University undergraduates received bachelor's degrees and 96 graduate students were awarded master's degrees at the University's 28th commencement exercises. CSU President Milton Byrd presided at the ceremonies in the Arie Crown Theatre, McCormick Place.

The CSU commencement ceremonies also saw the first bachelor of arts degrees awarded by the University to students enrolled in the Board of Governors degree program. Under the program a working adult who has not begun or completed college can obtain a bachelor's degree on the basis of a meaningful combination of academic studies and relevant "life experiences." The program is one of several instituted at CSU to provide a flexible curriculum for adults who want to continue their education.

Among those graduating was: Anthony Zorc II, 18913 Sheridan Lake Villa, IL 60046 B.S.Ed.

CLC REGISTRATION BY TELEPHONE

To save time and effort, part-time students planning to enroll in the College of Lake County 1973 fall semester, may register by telephone instead of driving to the campus, according to Curtis Denny, CLC Director of Admissions and Records.

Previously enrolled students may register by telephone between 1 p.m. and 9 p.m., July 23 through July 27.

New students planning to enroll at CLC for the first time may also register by telephone at this time. Denny added that new part-time students registering by telephone are expected to submit a completed application for admission to the Admissions Office, and consult with a CLC counselor by telephone or in person concerning course selection prior to registering.

Denny said that students registering by telephones should not dial the college switchboard but should call the following number: 223-6661.

BILL BEESE ELECTED OFFICE AT BOY'S STATE

Each year American Legions throughout the country sponsor boys to attend a week at Boy's State. Boy's State was started in Illinois for the purpose of teaching young men to become better acquainted with our governmental process, through various classes and by participating in a model government on city, county and state levels. Party conventions, campaigning and elections are part of the

activities participated in. Sports competition is also held between counties, and a band is organized for the week.

This year Premier Boys State was held at the State Fairgrounds in Springfield, on June 24-30; 986 attended. Bill Beese, a Senior next year at Antioch High School, was chosen to go from the Antioch area. Bill was elected as City Clerk, County Clerk, and also as one of the seven state officers, Clerk of the Supreme Court. His jobs required a lot of typing and paper work in spare time.

The state officers took a tour of all the State offices, had an interview with Gov. Daniel Walker, and were introduced to both the Senate and House in session, where Boys State Gov. Greg Boone of Evanston spoke. As Clerk, Bill also took a personal tour of the Ill. Court Building with Justin Taft, Clerk of the Ill. Supreme Court.

Bill also was honored by the 100 boys in his county as the model citizen. Out of the 10 county model citizens, Bill was chosen by the counseling staff through a series of interviews for the School Medal Award, given for five qualities of leadership: honor, courage, scholarship, patriotism, and service.

Bill said "Boy's State is a terrific experience. The honesty there was great, no stealing or vandalism. It taught us to have pride in our system of government, and the friend made there are terrific. I'd really like to thank the Antioch American Legion Post for sponsoring me."

SUMMER FUN FOR RAINBOW GIRLS Bik-A-Thon Planned

On July 9, 1973 the Order of Rainbow for Girls had another meeting. As her charity project, Sue Rigby is planning a bike-a-thon and is planning on donating the money to the Antioch Rescue Squad Paramedic Unit. A pool party, family picnic, and camp-out will be the fun projects this summer.

This coming Saturday, July 21, we will have a refreshment stand during the Arts, Crafts, and Antique Fair for all you browsers.

(Week of July 20-26)

ARIES (March 21-April 19): A favorable period for starting new projects, seeking new opportunities. Moon in your sign first two days emphasizes initiative, self-confidence. A good time to make major changes affecting future. Best days: Tuesday, Thursday.

TAURUS (April 20-May 19): Your creative flair can bring recognition this week. Put your talents to work. Communications involving career, personal goals also favored during a generally auspicious time for those born under your sign. Best days: Friday, Monday.

GEMINI (May 20-June 19): Concentrate on your own tasks and avoid disputes with associates, co-workers. Financial transactions can go well if you are careful with details. Someone in authority could be impressed by your abilities. Best day: Tuesday.

CANCER (June 22-July 21): Friendship, contact with distant acquaintances could be important in the period just ahead. Romantic cycle is high. Routine problems may irritate you during week, but this is not a time to allow minor difficulties to upset you. Best days: Sunday, Wednesday.

LEO (July 22-Aug. 22): Get out and mingle if you want to break out of a down mood. Social contacts, outdoor recreation favored this week. But take extra care if traveling, particularly if you are driving. Best days: Monday, Tuesday.

VIRGO (Aug. 23-Sept. 22): Solar influences favorable for entertaining and financial matters. If you've been thinking of an impromptu party, now is a good time to play host. You can impress friends with your thoughtfulness. Best day: Thursday.

LIBRA (Sept. 23-Oct. 22): An excellent period for almost anything you want to do. Congeniality is the key to friendship. Show that you can be a considerate companion. A shopping trip can boost morale. Best day: Monday.

SCORPIO (Oct. 23-Nov. 22): If you've been in a busy whirl, it's time to slow the pace a bit. Don't over-do social activities. A little quiet routine could be a welcome and restful change. Best day: Tuesday.

SAGITTARIUS (Nov. 23-Dec. 21): Devote some time to family or spouse over weekend. Tact and consideration will assure family harmony. Avoid travel if possible. This is not a time for making major changes or commitments. Best day: Saturday.

CAPRICORN (Dec. 22-Jan. 20): Aspects favor opportunity, financial transactions. You could be near a breakthrough on a long-cherished goal. Be sure to schedule sufficient rest so you'll feel up to any demands on your energy. Best days: Saturday, Wednesday.

AQUARIUS (Jan. 21-Feb. 18): Be firm with youngsters in your care, especially if they are involved in vacation activities. Weekend is well aspected for entertainment. Midweek could bring an unexpected dividend. Best days: Sunday, Wednesday.

PISCES (Feb. 19-March 20): Romantic and travel cycle show positive trends for those born under your sign. An excellent time for a vacation trip which could result in a new romantic interest. Watch grooming and wardrobe to make the best impression.

HALFWAY HOUSE APPOINTS 4 NEW MEMBERS TO BOARD

The Board of Directors of Halfway House in Waukegan has announced the appointment of 4 new members to its board.

They are Reverend Robert Krieger of Waukegan, Miss Holly Reaver from Highland Park, Mrs. Bernard Drew, Jr. and Mr. Robert Burkhardt from Waukegan.

Waukegan's Halfway House offers a home for young men from 17 to 25 years old who are on probation from the court and have demonstrated a sincere interest in making life better for themselves. Residents are expected to find employment and pay room and board as well.

Mrs. Drew, a member of the

Association of the Lawyers Wives of Lake County, will head the newly formed Woman's Auxiliary Board for Halfway House. Reverend Krieger is associated with the Lake County Chaplaincy which ministers to the four Lake County institutions (the Lake County Jail, the Youth Home, Winchester House and the T.B. Sanitarium-Hospital complex).

Miss Reaver is employed in the Highland Park branch of the Circuit Court and is taking courses in Law Enforcement at the College of Lake County. Robert Burkhardt, a Waukegan businessman, is currently a youth counselor for the Community Action Program in Waukegan.

Condon, general heart fund chairman, reported today.

Condon, executive vice president, Peoples Gas, Light & Coke Co., is completing his second and final term as general chairman. Commenting on the final results, he said that this is the most successful Heart Fund Campaign in the history of the Chicago Heart Association, and is the largest amount ever raised in the Cook, Lake and DuPage County areas.

The Heart Association of Lake County, William D. Pratt, chairman, collected \$77,500 or 103 percent of their goal.

With a Stern Eye

I haven't had a birthday like it in forty years! So many warm friends and good wishes! They pretty nearly made up for that initial depression at dawn when I realized that I was--gulp--forty eight.

By happy coincidence the County Board meeting was scheduled to meet that Tuesday. Following the fall of the gavel, the pledge of allegiance and the appeal by Reverend Smith for guidance-Chairman Coles announced a special piece of business. The Board rose as one, and howled cheerfully: "Happy Birthday, Grace!" I was undone. Really.

Nobody growled at me when I got the six month fee earning office reports out of order; nobody asked why we had not gotten bids to purchase 50 sets of voting booths for the Elections Department. I could have given a reason, of course--that they were a great bargain at \$100 a set--that the regular price is \$190 a set. That purchase came under the heading of windfall--or the early bird's worm. We have twice been able to get some of these booths from Detroit where they were used at only one election before being put up for auction. Happy Birthday Lake County voters!

Our long studied and long awaited resolution awarding the contract to purchase microfilm equipment for the Vital Statistics Department went through without a hitch. Fred Boyd who came up from the Clerk's office to see his project safely through those shark-infested shoals, smiled contentedly over his pipe when the vote was announced, and slipped away. Happy Birthday Vital Statistics!

Having tidied up the Routine Highway Matters and Zoning problems, the Board amiably approved (without a dissenting vote) the proposed changes in precinct boundary lines that our Elections Department had laid out. New maps are in the works now, and we have begun the complicated job of advising each of those voters whose precinct is now changed, that they have a new voting address.

There followed some unpleasantness about a deferred, and

then a not-deferred appointment of two trustees to the Beach Park Sanitary District--then adjournment. After "only the briefest pause for those in need, Frank Peers gavelled to order what was to have been a pro forma Forest Preserve meeting.

It all had to do with the \$5,000,000 bond issue. John Balen, with a demoniacal leer, asked immediately what the money was to be spent on--what land and where in the county. Any in District 2? Ron Coles, off the dais for the moment, began a cranky peroration on the need for Forest Preserve purchases in District 4; were there going to be some as a result of this bond issue? Chairman of the Land Acquisition Committee, Bill Lea, reminded the commissioners wearily that this ground had been covered before--back and forth and up and down. The designated sites were available for review in the Forest Preserve office and had been for some time, he said again. The criteria set up some months before would be applied to each site when the money became available, and purchases would be made according to how each piece "scored" against the criteria.

But it was not to be so simple. The quarrel obviously turned on a number of other, unseen issues. It seethed for nearly a half hour. President Peers made no effort to smooth the troubled waters; everyone was permitted to air his grievance. It remained for Frank Tersar to anoint them with the unguents of unity.

"If we had enough money I would be glad to see us buy Balen's bog"--this was a reference to the piece of North Chicago land that John Balen has been pushing these many months--"and the McDonald property and every piece of property we can get in everybody's district. But we haven't. And we have to stop representing only our districts and start representing the whole county here." I was taken by surprise--no pencil in hand--and do not have it verbatim, but his words of cheerful admonishment to duty brought the whole thing to a ringing conclusion. The house applauded. Some stood. They voted the implementation of the bond issue.

The last order of the day was an announcement by Bertha Ogrin that any and all were invited to join the County Clerk at the Yacht Club for lunch. I felt blushingly conspicuous. It did sound for a moment though, as if I were elected to pick up the check. The people's choice?

We didn't have a decisive majority at the luncheon--is that to be my fate?--but the group was festive and rowdy and eminently suitable for a 48th birthday. Happy Birthday Gus.

Highlights

Even though the American Division teams each have a game to make up, both divisions finally have a winner. The American Division winners are the Tigers, managed by Bernie Gutowski and sponsored by State Bank of Antioch. The Tigers featured excellent pitching by lefty, Dave Gutowski and Kurt Selak plus a solid hitting

attack led by Selak, Dave and Jim Gutowski and Bill Ranker. The National Division Championship was decided in dramatic fashion. The Orioles led the Cardinals by 1 game going into the last week of action. But Jack Christensen's Cubs, behind an outstanding pitching performance by Ron Knab, upset the Orioles 7-1 while the 2nd place Cardinals whipped the Giants 21-11. This left the Cardinals and Orioles tied for 1st place. The final game of the season pitted the 2 teams against each other for the Division Championship.

The Orioles, coached by Tom Poulos and sponsored by Walsh's All Seasons, beat the Cardinals 5-4 with a 2 run rally in the 6th inning. The Orioles took a 2-0 lead in the first inning on Jack Fields home run with Ted Poulos on base. In the third inning, a base hit by Matt Brophy, a walk to Gene Lehn and singles by Dennis Flashner and Mark Simmons tallied 3 runs giving the Cardinals a 3-2 lead. The Orioles tied it up in the 5th on hits by Bill Strahan, Dan Larson and Ted Poulos only to

have the Cardinals again take the lead in the bottom of the inning when A.J. Ray beat Oriole Shortstop, Rich Zemann's throw to homeplate on a fielder's choice ground ball. Mike Lischewski led off the Orioles 6th with a double and held 2nd as Mark Filwett lined hard to Rob Nauman in left. Rich Zemann became an instant hero when he lined a triple to right scoring Lischewski with the tying run and tallying the lead run a moment later on Scott Petersen's basehit. In the Cardinal 6th, Matt Brophy stroked a double to lead off but Oriole pitcher Lischewski bore down to strike out Lehn. Flashner then lined hard back to Lischewski for the 2nd out and Mark Simmons went down swinging for the final out.

The Orioles face the Tigers to decide the Antioch Little League Champion in a best 2 out of 3 series to be played next week.

The Antioch Little League Tournament team lost to a fine Mundelein team 7-1 on Sunday, July 15 in Mundelein. Pat Sikorski, Mike Lischewski and Dave Gutowski shared the pitching duties with Antioch's only run scoring on Lischewski's home run.

"Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

You like Antioch and are therefore moved to do something about it. You buy or rent a home and become a part of the community. You make a commitment of yourself to the community. Your home in Antioch becomes a sign of your commitment to be a member of the community.

The same idea is true in regard to the Christian Community. Once a person believes in Christianity he is moved to accept or reject it. A decision is made or ought to be made-I do believe and want to commit myself or I do believe and do not want to commit myself. There is no such thing as a "part time" or "sort of" Christian.

The water used in the administration of Baptism is the sign symbolizing the already existing reality-the new life, the new relationship a person has with God because of his belief. Water is the sign of life. You cannot live without water. Water can also be seen as washing away the death of sin and beginning a new relationship with God.

This is what Baptism is all about. A person believes and this belief, an existing reality, is then given public witness or celebrated with the Christian Community through the sign of Baptism. If there is no belief the administration of the sacrament of Baptism is empty and meaningless. Baptism is a public sign that this person does believe and is committing himself to Jesus Christ through the Christian Community. He is publicly taking on the responsibilities and privileges of the Christian Community. A Christian in Baptism is saying that my life proclaims my God to the world--especially to those I deal with in my daily life.

Christian Science

Jesus proved man's reflection to God when he healed the dead son of a widowed mother, as is recorded in St. Luke 7. This is brought out in the Bible Lesson-Sermon on "Life" this Sunday.

A citation to be read from Science And Health With Key To The Scriptures by Mary Baker Eddy states "The spiritual fact and the material belief of things are contradictions; but the spiritual is true, and therefore the material must be untrue. Life is not in matter. Spirit and all things spiritual are the real and eternal."

Services at First Church of Christ, Scientist, BEACON HILL, Route 173 and Harden, Antioch Illinois begin at 11 a.m. Everyone is invited to attend, and care for children is provided.

Planning Commission gives "Gentle Indication"

continued

feelings that they had on the prospect of annexing the Santino property to the Village. Bemis said that their comments would then be weighed and would serve to help the Commission in any future decision concerning the property.

John Steitz, of the Grass Lake area, was the first to take the floor and presented the Commission with a petition, which, he said, contained the signatures of some 2,167 persons opposed to the annexation. He covered several other points including: that the schools will need in excess of \$1 million dollars if the development goes through, that 70 percent of the

PLAN COMM. CHAIRMAN
BOB BEMIS

adjacent land owners have formally objected to the development, and he felt that it would be unwise to make a decision before Santino's suit against the County Board is over, contending that if Santino loses Antioch will be in a better bargaining position.

Evelyn Bolt from Lindenhurst objected to the annexation due to "health-care-reasons". She told the board that presently the doctor-patient ratio in this area is much lower than is recommended. She further commented that this area would desperately need hospital to take care of all of the people generated by this project. She said, "Antioch is just not ready for a development that would amount to a town larger than itself."

Pat Stag from Petite Lake, also opposed the development. She commented, "The density is just too great for a rural area. I would like to see this area stay rural, and the growth resulting from this project would be tremendous. I think that first we need better roads, more doctors, adequate police protection, etc..." Mrs. Stag added, "I talked to Mr. Santino and explained to him where I live, and he said that if he were in my place, he would oppose the development too."

Edna Ruck's main gripe centered around pollution and the conditions of the roads: "Our roads will never take such a high density, right now you take your life into your hands when you go out on Route 59."

Dr. Allan Thain, from the Emmons School area also voiced an objection, saying that people from that area do not have any representative in the Village. They do have representation on the County Board, however. If the Development goes to the Village they will not have any voice, but if it stays in

the County they will at least have some say.

The means of annexation was also questioned, whether it would be in a narrow strip or a wide corridor, and what would happen to the people in between.

Bill Seemann, who is a member of the Village Board's newly appointed Annexation Committee, told the Commission and audience that they had already begun to contact these people and that they are currently working on possible routes for annexation. He told the members that the people they have talked to have shown an interest in annexation, that they would have a meeting with all parties involved and then they would decide.

Later on in the meeting the same point was questioned, and Seemann's convictions were re-affirmed by Trustee Mike Haley, who revealed, "Four of the five people who are involved expressed interest in annexation, and the fifth person we have not heard from as yet."

Sophie Thain raised the question of why the property is again being considered: "What has changed? I thought that this was settled long ago; when it was denied in the past why is it being re-considered now?"

Bemis answered this by stating that the developer, Mr. Thomas Santino, had approached the Village Board and asked to know their feelings on annexation of his property. He said the Planning Commission was to make a recommendation and that was what they were trying to do.

Many of those in attendance were still greatly upset over this and felt that this should not have come up again once it had been dropped. Sharon Lichter of the Emmons School area, asked the Commission to review Lake County Planner Cranston Byrd's recommendation on methods of annexation back at the time when this was first considered. She stated that if it was unfavorable to the commission at that time it should still be unfavorable.

Edna Ruck commented that the same case should not be tried twice. The Supreme Court never hears the same case, twice, she contended.

Commission members, Ken Weirschem, pointed out to Mrs. Ruck that the Planning Commission was not the Supreme Court and that they were free to review past decisions. He told her that even the Supreme Court changes its mind, referring to Prohibition as an example.

Don Amundsen, another Commission member, added that it was his understanding that a clear cut decision had never been made on the property, rather it had been tabled along with other prospects for annexation until a Planned Urban Development Ordinance was arrived at.

At this point it was asked how many of the opposing parties were actually from the Village of Antioch, to which a show of four hands answered.

Commission member, Frank Warren then stated that the Village had already lost some \$4 million dollars in tax revenue from the property and Santino

stated that the figure was much larger.

Sophie Thain commented that she didn't care how many millions the Village had lost, adding, "When Mr. Santino presents us with a half million for our schools, then we will want him. We may not be able to stop him, but we need some provisions. How are we going to get a new school? We all know how hard it was to pass the High School referendum and we all know how many times the Upper Grade School referendum has failed."

Janet Biellings from the Antioch Hill Subdivision, voiced a point by point objection; her last point was most unusual. She asked that the matter of annexing the development be put to a referendum, so that all the people would be able to decide for themselves. It was mentioned that several cities have run a referendum on such a matter with successful and satisfactory results.

Adequate Fire and Police protection was discussed many times during the meeting. And it was questioned how much longer the Fire Department would be able to remain a volunteer organization.

Following the heated discussion, Amundsen again spoke: "I think that it is too early in the game and that we have gotten ahead of ourselves. We don't have a comprehensive plan and we don't have a P.U.D. ordinance. Furthermore, we don't know the results of the County Court Case involving this property. If we go ahead we will never know whether it was going to be dropped flat or not. I think that we should let the County rule on the development and then decide whether we want it in the Village or not. I feel that Santino is here to night to circumvent the court. Now does that make me prejudiced? I guess it does."

Amundsen received a round of applause from the audience, but did receive some backlash. He was accused of waiting to let the County make a decision for

REV. PHILLIP O. LAURIN

him rather than making his own decision. It was also questioned why we should pattern ourselves after the county. "Are their personnel any more qualified than ours," asked Mayor Wilton?

Trustee Bill Seemann came forward to give a somewhat heated and dramatic speech, in which he accused the Planning Commission of not doing their homework. He announced that he had been the instigator in moving the Santino annexation to the front burner, so to speak.

Seemann said, "I am here to tell the Planning Commission to get off their rear-ends and get something done. I want some action for or against. I have instigated this and I am pushing it. I love Antioch very much, I don't know about you. I think

that it is time that Antioch gets together."

To which the audience replied in unison, "We are together." Seemann retorted, "You are all only thinking of today, and that is what the whole problem is."

The audience shouted back that they were there because they were thinking of tomorrow, and a voice from the back of the

TRUSTEE BILL SEEMANN

room challenged Seemann to move to Chicago.

Mayor Wilton was also very vocal at the meeting and did not try to hide his pro-annexation feelings.

He said, "Our boundaries have not changed but slightly during the past thirteen years. We have to start annexing and annex all that we can. We should move south as far as Townline Road and as far North as State Line Road. (In a later interview, Wilton added that we should also move to the East—but development in that direction will be much more difficult because of the soil—and as much as we can in the Channel Lake area—but this is difficult, too, due to the present homes.)

Wilton stressed that we do not want to end up with a situation like that in Gurnee, as they are being swallowed up by Waukegan. Nor do we want to find ourselves with the same problem that the Round Lake area has to deal with, as they have five separate municipalities in one small area.

Village Clerk, Marilyn Sternberg was also vocal at the meeting. She was of the opinion that we should wait and get out ordinances, and the advice of professional planners. "When we have these, then we will be able to talk turkey with Mr. Santino."

Wilton again reminded the Commission that they (the Village Board) are not at this point looking for them to draw up a pre-annexation agreement, but rather that they just wanted their recommendation, either for or against the annexation.

The Commission members then took turns expressing their opinions, most of them hesitant to grant a favorable opinion. All of the Commission members were not present, and Bill Brook left just a few minutes before the informal survey was taken.

At this point Santino addressed the Commission and presented them with an ultimatum: "If there is not going to be a decision made here tonight, either yes or no, then I would like to withdraw my request. I have been on the string for two years and I think that it is long enough."

After some further discussion the Commission granted a favorable recommendation, with Amundsen casting the only opposing vote.

Village Board begins action

dience followed. Mrs. Stietz requested that Mike Haley give her a list of names of the property owners that will be involved if this area is to be annexed. She also asked if the annexation procedure would carry through the Lake County Circuit Court, and if so would a public hearing be held.

The Board was of the opinion that it would not go through the Circuit Court. Annexation is brought to the court when it is a forced annexation and the Village is not aiming for a forced annexation.

It was also requested by members of the audience that a referendum be held to determine the feelings of the people on the matter of annexation.

Mayor Robert Wilton said, "I don't think that a referendum is necessary. When I conducted my campaign a few months back, I talked to some 500 people in the Village that were in favor of annexation."

The Mayor's statement was challenged and Mrs. Steitz pointed to the fact that there

were some 200 signatures of residents from the Village who had signed the petition opposing annexation.

Mayor Wilton was also asked how many people had come to him begging for annexation and just why the referendum could not be run?

Wilton responded that at every Village Board meeting the people in the audience are those who oppose some element or who have a problem.

"We generally don't hear from people who are in favor of things," he added.

Furthermore Wilton said, "If we hold a referendum only those who disagree will come out and vote, besides how many people know what they are actually signing."

Trustee Marge Nelson asked how much a referendum would cost and it was stated that it would cost roughly \$300. Members from the audience then volunteered their services and said that they would even come up with the money.

At that point Trustee Haley called for adjournment and the meeting ended.

As the audience departed someone called out, "you've not heard the last of us yet!"
